BALTIMORE, Sept. 16.

The New Orleans papers of Friday last have been received. They contain reports of the prevalence of the fever at various points on the river and along the coast. At Thibodeaux 20 deaths occurred in 3 days.— At Bayou Sara, much sickness was prevailing, and a son of Ex-Governor Johnson had died of the fever.

At Montgomery, Ala., several cases of fever have also occurred.

The floods on the Southern rivers were subsiding and no further damage was anticipated from the freshet.

The deaths at Charleston during the week ending on the 10th, were 18. There were no fever cases.
