BE SURE TO PICK LEGISLATORS

In the primary Tuesday the paramount need is defeat of the State Machine ticket headed by Richard W. Leche and Oscar K. Allen. Its defeat would mean repudiation of the vicious and vindictive laws that have stripped the

Mr. Leche and Governor Allen are committed to the perpetuation of these laws. Congressman Dear is pledged to their repeal. If the State Machine is beaten we shall have a New Era and a restoration of constitutional government... and an end of the reign of thuggery and intimidation and waste of public money.

But even as vital, if not more so, is the composition of the next Legislature.

ing independence, irreconcilably opposed to the State Machine, be sent to both houses, men who cannot be

It is the Legislature that is indispensable to a continuance of the Dictatorship. Denied the possibility of corrupting men of a militant opposition, its doom will be inevitable.

The Dictatorship has named candidates pledged to whatever outrageous new laws it proposes and pledged against repeal of any of the laws passed by the Allen administration.

In that way you will best help make New Orleans and Louisiana free of the intolerable misgovernment under which we are now compelled to live.

bought by money or job.

selfish purposes.

"Be it, therefore, resolved, that we meeting assembled on this, the 16th day of January in the year of Our Lord 1936, do hereby petition the Sen-ate and the House of Representatives of the state of Louisiana and the attorney-general of the state to see that the laws of this state are enforced, and "Whereas, whenever a crime has been committed and the knowledge of same is in the possession of the attorney-general or the governor they are charged with the responsibility of seeing that the crime is investigated and the guilty persons of Representatives of the Congress of the United States to investigate into the killing of the attorney-general or the governor they are charged with the responsibility of seeing that the crime is investigated and the guilty persons of Representatives of the Congress of the united States to investigate and the guilty persons of Representatives of the Congress of the united States to investigate into the killing in order that the fair name of members of the House of Representatives of the Congress of the United States to investigate into the killing of the causes and incidents leading up to said killing in order that the fair name of members of the Congress of the United States to investigate into the killing of the causes and incidents leading up to said killing in order that the fair name of members of the Congress of the United States to investigate into the killing of the causes and incidents leading up to said killing in order that the fair name of members of the Congress of the Congr

trolled Legislature are strangling business in the state.

"These laws," Congressman Dear said, "are not only preventing industry from coming into the state, but are running business out of the state. Until these laws are repealed, Louislana will continue to wilt and wither. wither

and will be depirted to the opportunity of presenting said resolution to said body, and

"Whereas, the said Oscar Allen and Gaston L. Porterie and others have slandered members of the House of Representatives of the Congress of the United States, as well as other respectable citizens of Louisiana, and "Whereas, it is befitting that some responsible body investigate and fix the responsibility which the duly constituted authorities, namely, Oscar Kallen and Gaston L. Porterie, have

New Orleans, La. Dear Cleveland:

"I told you I would write you why was moving out of the state of

"There are 500,000 people in New Orleans. One out of every five is a worker. That is, 100,000 of them are

worker. That is, 100,000 of them are wage-earners. Half of that 100,000 are making a living off the government, city, state or federal. They are divided this way:
"5575 work for the United States government, 4500 work for the States, 2000 work for the state, 2000 work for the school system, 30,000 work for the School system, 30,000 work for the WPA 4575 are supported by for the school system, 30,000 work for the WPA, 4525 are supported by the Community Chest or live on charity; total, 50,000.
"That leaves another 50,000 who are working in business to support themselves and their families.
"It is easy to see that each of that 50,000 must support one of the other.

50,000 must support one of the other

50,000 and that other's family in addition to taking care of his own.

"It is done through taxes.
"I am one of that 50,000 who work in private business for a living. I don't mind paying taxes to support the other fellow who hasn't got a job and his family. ob and his family,

"I don't mind paying a big tax on gasoline, on cigarettes, liquor, but-ter, meat, my house and my income, and I don't mind mortgaging my and I don't mind mortgaging my future earnings (and my son's) with isiana. It is interested only in pow-bond issues. What I object to is er. It has been willing to drive seeing my money being used to main-commerce and industry out of our

tain the Shushans, the Bessleys, the Allens, the Fournets, the Fishers, and the Weisses in luxury, and to see it being 'jobbed out by the Maestries, the Allens, the Noes, the Tugwells and the Grosjeans, for selfish purposes. state and to see grass growing in the streets of New Orleans, the larg-est city in the South. "This state machine has don this state machine has done everything possible to starve the government of New Orleans, and make it impossible to finance itself. It has been willing to bleed the city employes and deprive them of their pay envelopes to force them to sub-

pay envelopes to force them to sub-mit to the machine.

"The Home Rule candidates pro-pose to take state politics out of the city of New Orleans, and out of every city and parish in the state, and return the local governments to the people of the cities and parishes. There will be no spite laws in my adninistration, no laws to punish any-

"The election of the Home Rule candidates will mean a new era in Louisiana. It will mean the bringng of peace and happiness to our state."

Beviews Platform
Congressman Dear reviewed the
platform of the Home Rule candi-

platform of the Home Rule candidates.

"The election of the Home Rule candidates," Congressman Dear declared, "will mean the payment of an old-age pension of \$30 a month. It will mean that sick mothers, widof the support the women of the state are giving him, Congressman Dear said that he did not become a candidate for governor to "satisfy any personal ambition, but as a duty to bring back decency and honesty in our government." ws and orphans will be properly

"The election of the Home Rule candidates will mean that the state tax on homes and farms will be abolished, and that automobile licenses will be reduced to \$3.

"The election of the Home Rule candidates will mean that the tax on gasoline used in fishermen's boats and farmers' motors will be abolished, and it will mean that the free school-book law will be written into the constitution, where it cannot be repealed by any Legislature."

The candidates of the state machine, Congressman Dear said, hav no platform.

'Carry On Work' Questes

"The candidates of the state ma chine only promise to carry on the work of the Allen administration," Congressman Dear continued. "Car-ry on the work of the Allen admin-istration—will they carry on the steals of the state-owned oil lands: steals of the state-owned oil lands? Will they carry on the politicalization of the schools? Will they carry on the domination of city and parish governments by the state government? Will they continue to pass laws to drive commerce and industry out of the state? Will they carry on the work of keeping millions of dollars of federal funds away from the unemployed of Louisians? Will they continue to refuse to pass an oid-age pension law?

"This is the kind of work they

"This is the kind of work they say they will carry on."

In addition to Congressman Dear, the Home Puls candidates who ad-

the Home Rule candidates who adversed the rally were Congressman Sandlin, for the full term in the United States Senate; Frank T. Looney, for the short term in the United States Senate; Clement M. Oss, for licutenant-governor; Francis Williams, for secretary of State; Philo Coco, for attorney-general, and Alvin Christovich, for member of Congress from the Second District.

Hefers to Attacks

Mr. Williams, referred also to physical attacks upon him and Joseph Boudreaux in Baton Bouge and upon a newspaper photographer of The Associated Press in New Orthodox State; Philo Coco, for attorney-general, and Alvin Christovich, for member of Congress from the Second District.

Attacks

Mr. Williams, referred also to physical attacks upon him and Joseph Boudreaux in Baton Bouge and Least Boudreaux in Baton Bouge and Least Boudreaux in Baton Rouge and Leas District.

Congressman Sandlin expressed the belief that it is important to the peo-ple of the state that they send repre-sentatives to Washington who are friendly with and who will co-oper-ate with the national administra-tion Would Restore Star to Flag

Mr. Looney dwelt upon the "sincerity of the Home Rule candidates in their desire to bring about a reurn of honest government in the state," and said that if he is elected to the United States Senate it in the matter of oil and mineral will "be my purpose to pin the leases, if he is elected attorney-gen star of Louisiana on the flag from eral.

Dear candidates are opposing all the candidates of the Dictatorship. They stand pledged to go down the line for a return of democratic government in Louisiana. Study the tickets. Pick out only legislator candidates who are not Machine-stamped. Ask the advice of the Dear campaigners if you are in doubt. Examine the sample ballots. Vote for those only who are all-wool-and-a-yard-

Stabilization Factor

"Where insurance has been granted it means the difference between remaining in business and going out of business to institutions located in competitive areas. This insurance program, therefore, has not only essisted the individual institution but has been a major factor in stabilizing the entire economic life of the izing the entire economic life of the state."

state."

Reports have been current since the first of the week that one or more mergers of uninsured associations with members of the insured group will follow in the near future. It is also believed in homestead circles that several changes in the officer or directorate personnel of some of the associations will be made.

merged or reorganized.

Effects of the federal insurance were felt in New Orleans soon after the first group of 13 was announced. Mortgage money has become plentiful with a downward trend in interest rates. The real estate market has gained strength and new construction promises to grow in volume with a group of homestead associations setting the race with a co-ordinated program to stimulate new home building and home ownership.
