QUARANTINE PROCLAMATION

By Samuel Douglas McEnery,

Governor of Louisiana.

EXECUTIVE DEPARTMENT, }
State of Louisiana. }

Whereas, on the 8th day of March, 1883, the
Board of Health of the State of Louisiana did
request the Governor of the State to issue his
annual proclamation of quarantine, and did ad-
vise in regard to the terms and conditions of the
same; now, therefore, in accordance with law,
and upon the recommendation of said Board of
Health, I hereby issue my proclamation, that
quarantine take effect from and after the first
day of May, 1883, with the following specifica-
tions:

All vessels, together with their crews, passen-
gers and cargoes, arriving at the several quar-
antine stations of the State from the Mexican
ports Matamoros, Tampico, Tuxpan, Vera Cruz
and Minatitlan, from all ports on the islands of
Cuba, Baytor San Domingo, Porto Rico and
Jamaica, and from the Brazilian ports Rio de
Janeiro, Balna and Pernambuco, to be detained
ten full days, and the vessels and cargoes to
undergo cleansing and disinfection.

Also that vessels from other West Indian
Islands and from ports along the Isthmus of
Panama and the coast of South America as far
south as Brazil be subjected to inspection and
such cleansing, disinfection and detention as
the Board of Health may direct; particular ref-
erence being had to the islands of Barbadoes,
St. Thomas, Martinique, Guadeloupe and Trini-
dad, and to the ports of Colon, Cartagena, Sava-
nilla, Baranquilla, La Guyara, Georgetown,
Cayenne and Paramaribo.

The quarantine officers at the several stations
are specially charged and directed to enforce
strictly the execution of this proclamation; and
the Board of Health is requested to prosecute
vigorously all violations of the same or of the
quarantine laws of the State.

Given under my hand and the seal of the State
of Louisiana at the city of Baton Rouge this
fourth day of April, 1883.

Signed S. D. MCENERY.

[Seal] By the Governor.

OSCAR ARROYO,
Assistant Secretary of State.
